

Suggestion Box Wins Awards For Employees

Suggestion awards totaling \$235 were presented recently to three Joliet Arsenal employees by Col. Ronald B. Currens, commanding officer, Joliet Arsenal.

An award was presented to John W. Chladek for his suggestion relative to an automatic drop test of fuze.

Chladek is a resident of Joliet. He has been employed at the Joliet Arsenal since Feb. 21, 1949 in the operations division.

Ralph E. Prairie, electrician, received an award for his suggestion for an improved type of masonry anchor installing device.

Prairie has been an employee of the Arsenal since September 1, 1950. He resides at Bradley.

A third award was presented to Charles W. Purdy for his suggestion for improving safety conditions on Arsenal roads. Purdy is employed as a guard and has been employed in such capacity since March 19, 1951. He is a resident of Wilmington, Illinois.
